BUILDERS OF TOMORROW SCHOLARSHIP

Scholarship Requirements

- High school senior enrolled in an accredited 2-year or 4-year college/university majoring in Construction, Engineering, Architecture (or any related construction field of study).
- Must have at least a 3.0 GPA and demonstrate financial need.
- Students must complete and sign the application.
- Students must submit a typed one-page essay describing why they chose to enter into the construction field and how their involvement and leadership roles in school clubs, community/non-profit organizations, etc. will prepare him/her for a successful career in the Construction Industry.
- Students must provide an official high school transcript and one recommendation letter.
- Provide a copy of Page 1 of the Student Aid Report from the Free Application for Federal Student Aid
- Mail, email, or digitally submit the scholarship package via our website (wcconstructionco.com/scholarships) by April 3, 2026.

Award Amount: The scholarship awards **$1,000 per semester**, with a lifetime maximum award amount of **$2,000 (2 semesters)**.

Timeline: Our application deadline is April 3, 2026.

Award Date: Applicants will be notified April 24, 2026.

Important Details:

- *Please note that we do not provide payment directly to the student. Instead, we send a check to the college or university to be put toward the student's tuition costs.*
- *Students may also be asked to submit proof of satisfactory academic standing with your college.*
- *For consideration, students must submit a fully completed application along with all required documents.*
